Petitioner states:

- Specific bequests contained in Decedent's Will and Codicils of estate personal property were preliminarily distributed without court order to avoid storage fees and prevent loss to the estate; *Receipt of Beneficiary* for all distributions attached to *Declaration of Joanne Sanoian* were filed 7/20/2011; (please refer to Schedule E for itemized distribution list);
- Petitioner requests the Court ratify the reimbursement she made to herself for costs of estate administration in the amount of **\$22,359.24** (please refer to itemization on Page 9 of Petition);
- Decedent's real property was specifically bequeathed to Petitioner; since the specific bequest does not have to be sold to pay for or contribute to the remaining general cash gifts, there is no money left for the general cash bequests in Decedent's Will and Codicils;
- **Distribution pursuant to Decedent's Will and Codicils is to:**
 - **PATRICIA COULTER** – real property residence; beneficial interest in Oil and Gas Lease (as partial payment of statutory fees);

		<p>Petitioner states there has been a long history of abuse and neglect of the minor at the hands of his mother and her boyfriend, Deon O'Shay Owens. Both have sold drugs out of the home where the minor lives. DCSF removed the minor from the home in November 2011. The minor was returned after a family maintenance plan was implemented. On 12/9/11 the mother's boyfriend took the minor to his great uncle and left him there. During Petitioner's visit with the minor at the uncle's home, the minor told her that mom's boyfriend hits and punches him with his fist, and has hit him with a hanger. Petitioner feels that the minor is in imminent danger because the mother and Deon have contacted the uncle and stated her Deon may come and pick up the minor.</p> <p>Court Investigator Julie Negrete's Report filed on 2/15/12</p>			

Points and Authorities Re: UCCJEA, California filed on 2/21/12. The points and authorities address the issue of jurisdiction in light of the Court Investigator's Report that recommends the State of Nevada "is the appropriate venue" for this case.

Attorney Leslie Moore concludes that the State of California has jurisdiction and is the appropriate forum for the determination of custody/guardianship of the minor child in this case pursuant to UCCJEA. It appears that the background investigation of the Petitioner is the only hold up for the investigator to proceed. There may be other resources available to the court such as contacting the Clark County Nevada probate court to request assistance, or possibly Clark County Children and Family Services (CPS) staff could assist in providing a home check and the background information needed. The investigator could run an interstate CLETS report if the court so ordered. The petitioner has and will continue to make every effort to assist the court. The Petitioner can have the minor available for an interview in Fresno County, perhaps the date of the court hearing.

Should the Court determine that Nevada should take jurisdiction of this case, Ms. Moore requests the court include the findings in an order pursuant to Family Code §3421 and 3427, and include a request for the court in Nevada to communicate with this court pursuant to Family Code §3410.

		Paternal grandfather: DECEASED			
		Maternal grandfather: GEORGE ISOM Maternal grandmother: PATRICIA KILPATRICK			
		Petitioner states Zachary is in imminent danger while in the care of his mother. She has made statements to various people that she is going to hurt Zachary and has stated that she shook him. Further, Zachary has suffered severe diaper rashes while in his mother's care, as it appears she is not properly caring for him. Petitioner states that it appears the mother needs mental health treatment and has admitted she needed to be checked into a hospital. Petitioner states that Zachary's father is a recovering alcoholic, he has recently been released from incarceration for alcohol related offenses and consents to her appointment as guardian. Petitioner states that temporary guardianship is necessary to for Zachary's safety and well-being.			
		Court Investigator Jennifer Young filed a report on 05/24/12.			
		Declaration of Patricia Kilpatrick, Maternal Grandmother filed 04/12/12 states: that she is concerned about her daughter's (Rachel Stauffer) current health and well-being and believes Zachary should not be in Rachel's care at this time, therefore she does not oppose Petitioner having <u>temporary</u> guardianship as long as: 1) she (Patricia) is allowed to have at least one monthly unsupervised weekend visit with Zachary, 2) Kirk Filgas (father) is not allowed to live with Petitioner, 3) Kirk Filgas is not allowed to see Zachary without supervised agency visitation, 4) Rachel (mother) is allowed weekly agency visitation for 4-6 hours a week, 5) the Court instructs Petitioner not to speak badly about her (Patricia) or Rachel (mother), and 6) The Court makes every effort to reunite Rachel with Zachary as soon as possible.

	Status Rpt	Court Investigator Julie Negrete's Report filed on 5/29/12 states it is recommended to be in the best interest of the children that the petition for termination of the guardianship be DENIED . On 3/21/2011 it was court ordered that the guardians, minors, and mother participate in counseling. However, this has not occurred. Therefore, it would be recommended again that the children and their mother participate in conjoint therapy to help facilitate a guardianship termination in the future.
